Dear Friend:

I had expected to hear from you by now about the trade we spoke of.

I am thinking about sending to Cuba for an outfielder, but would much prefer getting some one from the states if possible.

You know how close the time is drawing near, and we of course want to have some idea of what we have to work with. If you decide to make the trade, send me the boys address, and I will do the same.

Is there any chance of you coming East this year. If so I wish you would let me know when you plan to come, so I can have you in Newark. We drew pretty good last year. I am enclosing you a schedule of the Eagles home dates, so you can see when we stay home, in order to ask you at the same time if you would like us to come west with you at any time. There are several stretches when we have to be away two or three weeks at a time. If we came out could you keep us busy a week or two?

I am pretty sure Wells is going to stay this year, in fact I think he will manage the team. Would he be an attraction out that way?

Please let me hear from you as soon as possible. We go to camp April 8th.

Very Truly Yours
